CS 490/491L Progress Template.

Instructions: *Each team member should enter their activities performed for the capstone project in the last two weeks, as well as their expected activities for the next two weeks, along with anything holding them up on completing their activities. These should be discussed by the team and their advisor(s) during the weekly/biweekly meetings, and the advisor(s) should sign and date the sheet indicating a correct assessment of the team's progress. Students need to upload a signed and scanned version to Canvas.. Progress reports uploaded to Canvas without a signature and score for progress will receive a 0 for progress.*

Team/Project Name: CSUN Dashboard - White Volley Girls

Team Member #1: Christian Jarmon

What I did since last progress report:
- Finished building the web server.
  - Website is now live at http://csundash.kyeou.xyz and api is available at http://api.kyeou.xyz
- Finished the Peer Review #1

Anything holding me up on my last progress report's expected activities:

- N/A

What I plan to do before the next progress report:
- FInish the Software Test Plan
- Send rough draft of STP to Professor Dantes
- Do Peer Review #2

Team Member #2: Michael Balian

What I did since last progress report:
- Worked with Christian on what parts of the ratings page we should refine
- Worked on a defect on the front end
- Planned how the ratings form should look like when a student wants to submit a rating.
- Worked on peer review #1

Anything holding me up on my last progress report's expected activities:

N/A

What I plan to do before the next progress report:

Did not get a chance to work with David last week so I plan to work something out this week. I got one defect done but would have wanted to get a couple more, will try to knock some out this week.

Team Member #3: Nima Shafie

What I did since last progress report:
- Started to write tests for methods I can work with on the backend (Python)
- Putting a hold on Heroku hosting as it's having issues integrating with the database
- Finished peer review #1

Anything holding me up on my last progress report's expected activities:
N/A

What I plan to do before the next progress report:
- Expand on tests and start researching writing unit/integration tests for the frontend using JavaScript
- Start testing functionality of frontend and reporting anymore errors/bugs
- Begin peer review #2

Team Member #4: David Huezo

What I did since last progress report:
- Finalized majors page
- Started working on the sign in page again, just need to touch it up.

Anything holding me up on my last progress report's expected activities:
- N/A

What I plan to do before the next progress report:
- Finalize the sign in page
- Maybe start linking some frontend to the backend for the sign in page (if the others are ready)

Date: 22th November
